

# BE A CHAMPION FOR A CHILD

## Your donation can help.

- ★ Did you know that approximately 50% of the children living in the West Allis-West Milwaukee School district are living at or below the poverty level?
- ★ Did you know that as many as 33% of children are left to take care of themselves after school—7% higher than the national average, totaling 7 unsupervised hours per week.
- ★ Did you know that the national average for childhood obesity in the United States is 18.8% for children aged 6-11 years old.

### WHY DONATE TO THE RECREATION DEPARTMENT?

The WA-WM Recreation department offers a wide variety of after-school programs, serving students and community members. After-school programs and sports help children gain fundamental skills and learn the importance of teamwork, communication, hard work, and more. Through participation in the Recreation Department's after-school programs and sports, children are provided with a safe environment for physical activity.

*Just \$25 can pay for one youth to participate in a West Allis-West Milwaukee Recreation Department athletic program.*

*Just \$60 can pay for one child to participate in a West Allis-West Milwaukee Recreation Department after school program for one semester.*
