

BE A CHAMPION!

“Champion for a Child” Fundraising Campaign

- * Did you know that in the United States approximately 12.5 million children and adolescents aged 2-19 years old are overweight.
- * Did you know that 58.5% of children in the West Allis-West Milwaukee School District live at or below the poverty level. Financial barriers often prevent families from allowing their child to participate in our youth sports programs.
- * Our sports programs help children gain confidence, learn fundamental skills, develop teamwork all while being physically active. Please help us to KEEP CHILDREN ACTIVE!

Just \$25 can pay for one youth to participate in a Recreation Department youth sports program.
