This camp is for current boys or girls high school pole vaulters competing at a JV or Varsity level. We will focus on true technique in the pole vault. The majority of the camp will be focused on the pit as we work towards higher heights with proper form. Many drills will also be taught to improve technique. All athletes will then have the opportunity to compete in summer track meets in the Milwaukee area as well.

Athletes provide own pole and helmet for the camp (if possible).
