Boys' Basketball Camp

The West Allis-West Milwaukee Recreation Department will be conducting a boys' basketball camp this summer for players 2nd through 8th grade (grade student was in during 2010-2011 school year). The camp is divided into grade sessions so each grade grouping receives the appropriate skill development. The younger players will be instructed in the basic fundamentals of basketball. Along with the fundamental development the players will have a week filled with games, contests and a lot of fun. The older players will receive advanced instruction that will challenge them to perform at their highest level. This camp will prepare each player for the challenges of the coming season. This will be a great opportunity for players to learn basketball skills from our area high school coaches. The camp will focus on five main objectives: 1. Skill development (shooting, passing, ball handling, defense), 2. Offensive and defensive techniques, 3. Team concepts, 4. Season preparation. Come and be a part of a great camp.
