

# SAFE PROGRAM 2008-2009

**Deadline to register to guarantee first day of school participation is August 28, 2008**

The WA-WM Recreation Department offers after school programming at 11 elementary schools. The SAFE program runs Monday through Friday when school is in session from 3:25 - 5:30 pm.

**The cost is \$60.00 per semester per child or \$120.00 per year per child no matter how many days a student participates. Registration will not be accepted at the schools.**

The SAFE program format includes a structured schedule. Students will be checked in and out. Daily activities will include directed play, time where all participants will be involved in completion of homework or another academic enrichment activity and organized gym/outdoor activities. Special events, movies and community service projects will also be integrated into the program. Students who do not adhere to behavior expectations (see below) may be dismissed from the program. Students will not be able to leave program unless checked out by a parent/guardian. Included with registration fee is a daily nutritional snack. When you call in for your child's absence/change of plans at your school, state that the after school program must also be notified.

**Mail or drop off your registration at the Parkway Center, 2930 S Root River Parkway, Monday through Friday, 8:00 am - 5:00 pm. You may also register online at [www.wawm.k12.wi.us/recreation](http://www.wawm.k12.wi.us/recreation). Registration received after August 28 will require 2 business days to process before your child can begin attending SAFE.**
