### NEW TO THE AREA?

Are you new to the area? We invite you to stop in our office or give us a call! We would love the opportunity to meet you and let you know what we offer. We have many classes, activities, programs and leagues for all ages. Welcome to the community and we look forward to meeting you!

## Summer Welcome from Shelly Strasser

### Director of WAWM Recreation & Community Services Department

Welcome to your Summer 2023 lineup of programs, events and services with the WAWM RCS Department!

It is an exciting time in our department, district and community. Not only is the warmer weather, sunshine, longer days and all that summer has to offer here but there are some changes and new additions coming our way!

Our department would like to welcome our new leader, Superintendent, Dr. Tarrynce Robinson. We are excited to invite Dr. Robinson and his family to join our programs and attend events to get to know the many great residents of West Allis and West Milwaukee. As he is from Texas, we are going to need your help in converting him to a Wisconsin sports fan!

WOW, there are over 20 new programs for you to choose from this summer! There are too many to list so be sure to look for the NEW icon throughout the guide so you can add those to your list of things to check out! We are really pumped about our Throwback Summer Playground Events for adults. Play is for everyone and everybody and summer playground programs have been a tradition in West Allis and West Milwaukee for over 50 years. We invite all former playground kids to join us and Perspective Brewing Company for some fun with box hockey, tether ball, four square and more.

Construction has begun on the addition at the Recreation Center and plans are evolving as we work to convert Lane into a new Recreation Center with added amenities and program spaces. We are so grateful for the support of our community and are energized by the need to grow and expand our spaces to best serve the community! We are rolling out our department values through the REC EFFECT. Our values will be at the forefront and core of all decisions we make so that we continue to be the best stewards.

Lastly, who isn't excited about our youth theater's summer performance of Beauty and the Beast?! In the words of Lumiere and Mrs. Potts, we hope that this summer, you will "Be Our Guest, Be Our Guest, Be Our Guest!"

## American Red Cross “Learn to Swim” Lessons

### Parent & Child Swim 2+yrs

Parents and children learn together to increase their child's comfort level in the water and build a foundation of basic skills, such as getting their face wet in the pool, blowing bubbles, front and back floats and glides. This level is fun-filled to help introduce water safety concepts and encourage a healthy recreational habit. One adult per child is required.

### Level 1: Little Beginners

Level 1 introduces first-time swimmers to the aquatic environment and helps them gain basic aquatic skills that are the foundation for later levels. Front and back floats, blowing bubbles and leg and arm actions are introduced.

### Level 2: Introduction of Water Skills

Level 2 teaches basic personal water safety skills to help children feel comfortable in the water while improving elementary aquatic skills such as bobbing in the water, front and back glides and combined arm and leg action with assistance.

### Level 3: Fundamental Aquatic Skills

Level 3 leads participants to success through fundamental skills such as floating and recovering to a vertical position. Participants will continue to increase their independence with treading and swimming on their front and back.

### Level 4: Stroke Development

Level 4 will teach swimmers to do front crawl, rotary breathing and elementary backstroke the width of the pool. They will be introduced to deep water entries and simple dives, while continuing to improve their deep water treading skills.

### Level 5: Stroke Refinement

Level 5 will help the swimmer develop confidence and distance in previously learned strokes while introducing new strokes. Swimmers will begin to develop scissor and frog kicks, underwater swimming skills and new deep water dives.

### Level 6: Swimming and Skill Proficiency

Swimmers will practice their front crawl and elementary backstroke for 50 yards, backstroke for 25 yards and butterfly for 15 yards. Participants will continue to strengthen their frog and scissor kicks. Open turns are introduced and deep water skills are refined.

### Level 7: Fitness Swimmer

Level 7 helps swimmers refine their strokes and skills so participants swim with ease, efficiency and power over greater distances. Participants will begin to incorporate flip turns into their front crawl.

### Level 8: Intro to Competitive Swimming

Level 8 will introduce swimmers to what to expect in competitive swimming. Swimmers will learn to do starts from blocks, use equipment such as paddles and pull buoys and understand the terminology and format of competitive swimming. This is a higher level program that will build endurance.

Attending Summer Camp at Nathan Hale? If so, camp staff can make sure that your child gets to and from their swim lessons during the day so that you do not have to worry about it. You can scan a QR code at camp drop off or go to [wawmrec.com/youth/summer-camps](http://wawmrec.com/youth/summer-camps) to let staff know when your child's swim lessons are. Check camp schedule for any field trips or special events that may conflict.

The WAWM RCS Department reserves the right to move your child out of a level for their own safety. There is no guarantee that your child can get into the correct level if moved.

## Consider Volunteer Coaching

Coaching a sport is a great way to connect to young athletes. Coaches make a difference as mentors and role models. If you have always wanted to coach, but didn't know where to start, we're here to help!

For all youth sports leagues, the WAWM RCS Department will hire a League Director. The League Director is an experienced and knowledgeable staff member that will ensure a consistent, quality experience for all players. For practices, the League Director supports the volunteer coach and helps to alleviate practice planning for coaches allowing them to focus more on player development, teamwork and affording all athletes equitable instruction. On game days, volunteers are responsible for player substitutions, assigning players to positions and providing a fun learning environment.

### Time commitment:

4K-1st Grade: 1 day a week (approximately 45 minutes to 1 hour)

2nd-8th Grade: 2 days a week (approximately 45 minutes to 1 hour)

If you are interested in volunteer coaching, please indicate that at the time of registration.

All volunteer coaches are subject to a confidential background check.

**For more information, contact Youth Sport Manager, Sam Sujecki at 414-604-4959 or [sujeckis1@wawmsd.org](mailto:sujeckis1@wawmsd.org)**

## The WAWM RCS Department will be partnering with:

- Croatian Soccer Club for our 4K-8th grade soccer leagues.
- Focus Baseball for our 4K-5K T-Ball and 1st-2nd grade Rookie leagues.

### What are the Benefits?

- Our volunteer coaches will work with knowledgeable, high-quality and experienced coaches.
- Our players receive a club-like experience with high-level instruction and will be immersed in a dynamic learning environment.
- Increase the quality of our coaching, help retain volunteer coaches, and help recruit new coaches with this new, dynamic learning experience.
- The intent of these partnerships is to increase the overall quality of our programs, resulting in a fun and positive experience for our participants. All athletes will be encouraged to develop their skills at their own pace.

## Flag Football

Flag Football is a non-contact sport. Players wear flags that hang along their sides by a belt. To “tackle” the person in possession of the ball, the opposing team needs to pull off a flag. While flag football rules are designed to keep players safe, they also create an engaging, fast-paced version of football without the physical contact.

## WAWM Intermediate School Interscholastic Sports 6th-8th Grade

Athletic opportunities are open to all 6th-8th grade school district residents including those who attend a parochial school, private school, home school or public school outside the district that does not offer sports. Student-athletes will work on building their fundamentals, teamwork and leadership skills while representing their school against local schools based on the conference their sport competes in. All participants must register with their attendance area school. All student-athletes will need a physical on file before participating in either the first day of tryouts or the first practice. If tryouts are required, participation fees will be due after the teams are announced.

- For 7th-8th grade girls and boys basketball and 7th-8th grade girls volleyball, Frank Lloyd Wright and West Milwaukee Intermediate will compete in the Jr. Parkland Conference.
- For 6th grade girls and boys basketball and 6th grade girls volleyball, student-athletes will have the opportunity to participate in WAWM RCS leagues. This aligns with the conferences we participate in for these sports, which do not include 6th grade interscholastic athletics. This creates a more inclusive opportunity for all interested athletes during their intermediate transition year as there is not a tryout process.
- Practices take place at the school you are registered at and scheduled in season between the hours of 3-5pm.
- Bus transportation will be provided for athletes to all away competitions.

Bureau of Consumer Protections

## Home Improvement Contracts

Wednesday, June 7 at 1 PM  
West Allis Senior Center

Bennet Merens of the Bureau of Consumer Protection will be presenting on home improvement practices and contracts under Wisconsin law.

Wisconsin residents sign contracts every day to make improvements to their homes and property. It is important to understand the consumer protection laws that are in place to protect you before you enter into this type of contract.

As part of the presentation, you will learn about tips on hiring a contractor, contractor requirements, and required contract provisions. Home improvement resources will be available to all attendees.

As Wisconsin's lead agency for consumer protection, the Bureau of Consumer Protection provides information and education, mediates complaints, investigates cases, and takes enforcement actions to fight fraudulent and deceptive practices that harm consumers and honest businesses.

If your phone number, home address or email address are incorrect or if you were enrolled in the wrong activity, please contact our office. Important program notes, information and reminders will be printed on your receipts.

## Late Registration Policy

There will be no prorating of program fees for late registration after program(s) have begun. Exceptions and other special circumstances may be considered.

## Missed Program Policy

Programs missed for individual absences (i.e. schedule conflict, vacation, etc.) are not "made up" nor may participants attend programs other than for the one they are registered.

## No On-Site Registration

Staff (instructors, building supervisors, coaches, etc.) will NOT accept registration at the program site. Fees must be paid at the office or online prior to participation.

## No Smoking/Alcohol or Facsimiles

The use of all tobacco products and facsimiles or drinking alcoholic beverages on premises owned by the West Allis-West Milwaukee School District is prohibited per state law or as dictated by city ordinance for programs in city parks. Your cooperation in adhering to this law is required.

## Photography Policy

The WAWM RCS Department uses photos of participants for promotional purposes. By registering and/or participating in a WAWM RCS Department program, you have granted us permission to use your photo for promotional purposes, unless you notify our department otherwise.

## Reduced Fees

Persons who feel they are unable to afford the cost of a youth activity may apply for a reduction of fees by providing proof of reduced or waived fees by presenting documentation qualifying for free or reduced school meals.

## Reimbursement Policy:

The policy of the WAWM RCS Department is to reimburse registration fees only under the following circumstances:

1. A reimbursement request form must be completed.
2. 2 business days or more prior to the start of a class/activity, a full refund will be given minus 10% service fee for a refund check or refund back to your credit/debit card. To avoid a service fee, class/activity fee can be credited to your WAWM RCS Department's account for future use.
3. Less than 2 business days prior to the start of a class/activity, but prior to the start of the second half, 50% refund or credit will be given.
4. After the first half of the class has passed, no refund or credit will be given.
5. A full refund or credit will be given when the WAWM RCS Department cancels a class.
6. Separate reimbursement policies apply below. Please call 414-604-4900 for further information.
- 6a. Adult sports: 50% refund will be given prior to the schedules being printed. No refunds will be given after that occurs.
- 6b. Trips: Refunds will be given only if a participant on the waitlist fills your spot. Reservations are transferable and may be given to another person if you cannot attend the trip.
- 6c. Non-School Day and Summer Camps: Cancellations made in advance of 7am on day of camp will receive a refund/credit to your WAWM RCS Department account. Refund/credits will not be available after 7am day of the camp.
- 6d. Action Programs: After a quarter has started, no refunds will be issued. Future quarters that have not started yet may be refunded. Please see 2 and 3 for information about service fees.

## Residency Verification

The WAWM RCS Department requires residency for first time registrants (Driver's License/State ID, Utility Bill, Lease Agreement, Homeowners or Renters Insurance).

## Resident/Non-Resident Fee Policy

Resident status is for individuals living in the West Allis-West Milwaukee School District and all students enrolled in a West Allis-West Milwaukee public school. Residency is determined by where the participant resides, not where the person paying resides.

## Spectators

- One of the fundamental instructional program goals is to provide everyone with a safe, fun and positive learning opportunity with their peers while developing their skills. For these reasons, some classes and programs will not allow spectators.
- Dance/Gymnastics: Information will be distributed to parents/guardians regarding class observation days.
- Parents/guardians are to discuss their child's progress/participation with an instructor before or after class where appropriate.
- Parent/Child Classes: Please make arrangements for siblings as they will not be permitted in the program and they may not be left unsupervised/unattended in hallways, classrooms, locker room areas, etc.
- Adult classes: Please make arrangements for children as they will not be permitted in the program and they may not be left unsupervised/unattended in hallways, classrooms, locker room areas, etc.

## Waiting Areas

Most facilities have a designated spot where parents may wait during classes/programs. Please help us keep the privilege of use of school district facilities by not wandering around the buildings, no food or drink, and please keep siblings supervised at all times.

## Waiting Lists

The WAWM RCS Department will make every effort to accommodate individuals on waiting lists. The waitlist helps us determine the need to add additional class offerings. Please note, being added to a waitlist is not an enrollment in a class. If an opening becomes available you will be contacted by phone.

## Weather Cancellations

For weather related cancellations, please call our weather line at 414-604-4900, option 2. You can follow us on Facebook and Instagram for weather updates @wawmrcs. If news media posts the WAWM School District is closed due to inclement weather, all WAWM RCS Department programs are cancelled as well.

# YOUR DONATION CAN HELP

According to the National Recreation and Park Association, in the past decade, participation in youth sports has decreased by 8% and the gap is growing, especially for lower income families. Kardys, Jack (2019, October) Leveling the Playing Field for Youth Sports, Parks & Recreation Volume 54 (10). Recent research published by the Rand Corporation confirmed that children from lower income families are less likely to participate in sports. Do you know that over 50% of the students in our district qualify for free and/or reduced meals? This means that their family is living at or below the federal poverty threshold. For a family of four that is an annual income of \$25,750 or less. This leaves little to no discretionary income for a family to enroll their child in youth sports programs or provide safe alternatives for after school activities. In the West Allis-West Milwaukee School District this means that potentially 2,300 students in 4K-8th grade may never have the opportunity to participate in a youth sports program or be actively engaged in an Action program.

**Your donation will ensure that students in our community can reap all the benefits that youth sports has to offer or you can ensure that students have a safe place to play and be active during before/after school hours, providing a parent with peace of mind while at school or work that their child is safe and well cared for. No donation is too small and every dollar goes directly toward ensuring that every child has a chance. Prefer to donate online?
